WELCOME TO THE SPA'RTY!

What is a Spa'rtly? It's a group of five or more people celebrating a special occasion or simply enjoying our spa and all of its amenities — with the benefit of receiving exceptional rates!

Whether celebrating a birthday, bachelorette, wedding, or any momentous event or special occasion, we'll make your Spa'rtly a memorable experience!

SPA'RTY ON

Red Rock Spa by Well & Being is the perfect way to celebrate! With outstanding spa and wellness services, food and beverage experiences, and a personalized and attentive approach to service, your group is bound to have an exceptional experience. Your Red Rock Spa by Well & Being Spa'rtly Coordinator will work with you every step of the way, making organization simple and easy.

Let us plan your party for you. When groups of five or more book a 50-minute massage, body, or facial treatment each, you receive a Spa'rtly event planner to make all the arrangements and prepare every last detail.

All the information you need is located here. The Spa'rtly details will provide you with a complete overview and suggestions for making your Spa'rtly a truly memorable event. Download the Spa'rtly Intake Form and use it to gather all the necessary details to get your Spa'rtly started. The Light & Fresh Spa Cuisine Menu is also available here so you can select your entrées for your special day. Our Spa'rtly Specialists will contact you within two business days upon completion and receipt of the Spa'rtly Intake Form.
