MASSAGE THERAPIES & BODYWORK

The healing and rejuvenating power of touch has been known since ancient times. Modern science has proven that massage reduces muscle tension, lessens stress and anxiety, and provides pain relief.

HIMALAYAN SALT STONE MASSAGE – 50 | 80 | 110 MIN

Known for its mineral content, Himalayan Crystal Salt offers a uniquely restorative experience when used on the body. Our therapists use heated salt stones in this full-body ritual that soothes sore muscles and calms the nervous system, while gently exfoliating the skin.

RED ROCK RECOVERY MASSAGE – 50 | 80 | 110 MIN

Recover from a long day exploring the Mojave Desert landscape or following a challenging workout. Let us kick start your recovery with a re-energizing inhalation of Eucalyptus oil to help balance and calm your mind. Feel your tensions slip away while you enjoy an invigorating massage using Ginger Root oil to help reduce inflammation and ease muscles.

DESERT ARNICA DEEP TISSUE – 50 | 80 | 110 MIN

This treatment uses heat-driven muscle repair with a targeted application of arnica-rich gel and steamed towels to ease muscle pain and relax joints in your back and spine. The final result is greater mobility without the soreness that sometimes follows a deep tissue treatment.

DESERT OASIS AROMATHERAPY – 50 | 80 | 110 MIN

Aromatherapy is the practice of blending the essences of aromatic herbs, flowers and trees to heal and balance the body and mind. Choose from our custom blends according to how you would like to feel, the scent or an area of your health you'd like to enhance.

● WELL & BEING SIGNATURE JOURNEY – 50 | 80 | 110 MIN

This light to medium rhythmic massage, similar to a classic Swedish massage, will lull you into a deep state of relaxation, where you focus on the therapist's touch, and delight in a delicious scalp massage using wild lime oils.

HOT STONE MASSAGE – 50 | 80 MIN

This gentle relaxing therapy melts away tension and eases muscle and increases circulation.

TANDEM MASSAGE – 50 | 80 MIN

Completely envelop your senses in this massage experience as two therapists use four hands to massage in rhythmic tandem, allowing your body and mind to slide into a deeply relaxed state.

COUPLES MASSAGE – 50 | 80 | 110 MIN

Spend time together while enjoying your choice of side-by-side massages. Couples massage is an excellent way to introduce a reluctant partner to the wonderful world of massage, share something you both love or spend quality time with your mom, daughter or best friend.

PRENATAL MASSAGE – 50 | 80 MIN

Science has shown that prenatal massage can reduce stress hormones, swollen joints and muscle pain while improving sleep. Our special pillow system is designed for the body of an expecting mother, allowing her to lie face down with full support. This experience is designed with the safety and comfort of mother and child in mind. *Suitable for expectant mothers in their second and third trimester.*

REFLEXOLOGY – 50 MIN

Reflex points in the foot relate to specific organs, and stimulating those points promotes health via the body's energetic pathways. Our specially trained reflexologists restore overall health to your body by massaging the feet and reflex points, leaving you relaxed, rejuvenated and balanced. Reflexology can be performed clothed or underneath sheets — your choice.

MYOFASCIAL MASSAGE – 50 MIN

This powerful treatment focuses on fascia, the tough connective tissue that surrounds, separates, and supports muscles throughout the body. Your therapist locates areas that feel tight and immobile, and using focused pressure and gentle stretching, works to release the fascia, improving mobility and reducing pain and tension.

CRANIOSACRAL – 50 MIN

Light touch is used to shift and correct the rhythms of the craniosacral system, located around the head, neck and spine. Your body's internal resources are replenished through this gentle hands-on method. This treatment is helpful for headaches, minor neck and back pain, and relieving stress and tension.

THAI MASSAGE – 50 | 80 MIN

It is said that this ancient style of massage may have been developed by Buddha's physician nearly 2,500 years ago. Thai massage incorporates stretching and targets pressure points allowing the energy to flow. Please wear loose fitting clothing. The specially trained therapist literally use their whole body to move you into various yoga-like positions, releasing muscles, increasing range of motion and leaving you invigorated.

DAILY SPA | WELLNESS FACILITY ACCESS

Daily access available to all registered hotel guests 18 years of age and older.

COMMONLY ASKED QUESTIONS FOR YOUR BEST SPA EXPERIENCE.

SPA ETIQUETTE GUIDE: We ask that you arrive 30 minutes prior to your scheduled Spa appointment time or 15-minutes prior for the Salon. Please keep in mind that arriving late for a service may determine the length of your treatment, as your service will end as scheduled so that the next guest may begin on time. All prices are subject to change without notice. Red Rock Spa by Well & Being is a non-smoking facility and alcohol free zone. Minimum age is 18 for the fitness center, wet areas and spa services.

THE SOUND OF SILENCE: To preserve an ambiance of peace and tranquility, The Red Rock Spa by Well & Being is a cell phone free environment. Kindly turn off all cell phones prior to entering The Spa. We ask that you speak quietly throughout The Spa, particularly in waiting areas and in treatment corridors.

NON HOTEL GUESTS: Non-hotel guests must purchase a minimum spa service of 50-minutes in duration or purchase a day pass for access to the spa pool, whirlpool, eucalyptus steam room and fitness facilities.

PERSONAL BELONGINGS: We provide lockers for your personal belongings, but regret that we cannot be responsible for lost or damaged items. Please do not wear your jewelry to the spa. Due to the space limitation, we cannot accommodate luggage or sports equipment.

CANCELLATIONS: Cancellations and changes must be made 4 hours prior to your appointment to avoid being charged in full. For package cancellations we require 24-hour notice. Missed appointments will be charged the full amount of all reserved treatments.

SERVICE CHARGE: A 20% service charge will be added to the price of your service(s) for your convenience. Additional gratuities are a matter of personal discretion, and should reflect your satisfaction with our services.
